Average Scores Report for DORA Spanish

Grade Level Scores vs. DORA Sub-Tests

HF	HF2	WR	WR2	PH	PH2	VO	VO2	SP	SP2	CO	CO2
3.23		4.27		3.51		3.98		2.25		1.23	
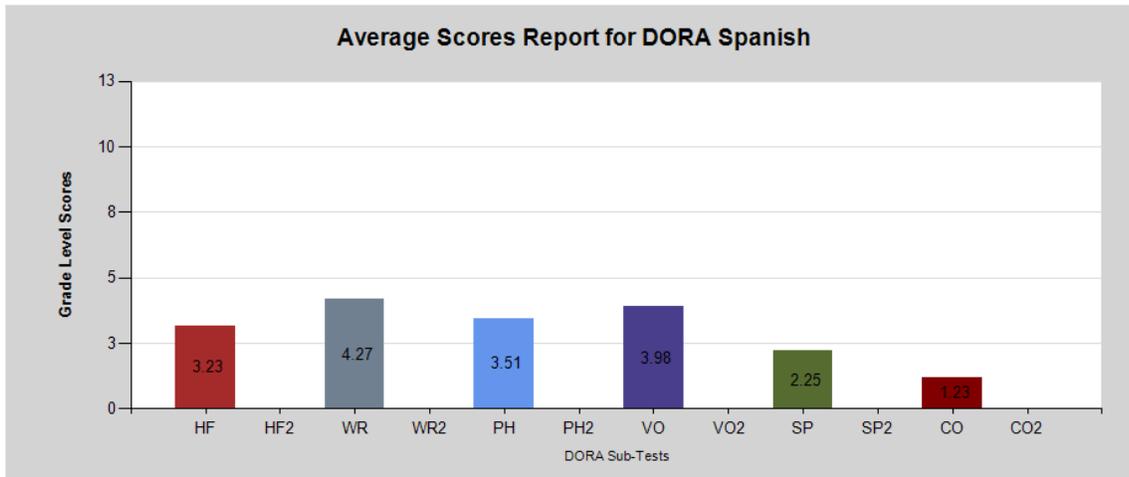

High-Freq. Words		Word Rec.		Phonics		Vocabulary		Spelling		Comprehension	
3.23		4.27		3.51		3.98				1.23	

HF - High-Frequency Words (0.5 to 3.83)

Only timed sub-test. Fast response per question to get a correct answer.

WR- Word Recognition (0.5 to 4.83)

Scores can jump up once decoding is mastered because this is word recognition out of context. But maximum score of high 4th grade because Spanish is phonetically regular.

PH - Phonics (0.5 to 3.83)

VO - Vocabulary (0.5 to 12.83)

   Oral vocab. can be high for K-1st graders

SP - Spelling (0.5 to 9.83)

CO - Comprehension (0 to 12.83)

Lower because designed to predict content reading success: No look-back, non-fiction, longer passages.

Higher for EL students with strong comprehension strategy skills but low English vocabulary
