# How to view gains of an individual student

1. Log into your **Teacher** account.
2. Click on the **Scores and Reports** tab and select **Active Pulse ELA or Math**.

3. Select any student and click on the graph image (**Progress Monitoring**) to the left of the **Last Assessed** date column.

4. Choose your **filter** options: Series, Stands, Date Range, Show/Hide Snapshots/Assessments.

5. Check the boxes for one or more assessments or weekly snapshots and then click on "**Chart**".

6. You can choose to **print** or **download** the graph.
