

Dear Let's Go Learn User,

As winter ADAM and DOMA math assessments are underway and students have made progress in their LGL Math Edge lessons, many teachers are looking to update their students' LGL Math Edge courses. In the past, teachers have simply clicked on the "Update" button under the Enroll/Edit tab to re-enroll their students in new LGL Edge courses. While this is still available for LGL ELA Edge, the button has been removed from the LGL Math Edge series for technical reasons.

**PLEASE FORWARD THIS EMAIL TO YOUR TEACHERS**

**If teachers choose to update their students' courses, they will need to follow these steps:**

1) Close the student's current LGL Math Edge course by clicking on "Edit" from the Enroll/Edit tab (under "Instruction" menu > Edge AP).

The screenshot shows the LGL Edge interface. At the top, the 'Instruction' menu is highlighted with a red arrow. Below it, the 'Enroll/Edit' tab is selected. The 'Students' table is visible, with a red arrow pointing to the 'Edit' button in the 'Actions' column for a student.

First Name	Last Name	Grade	Curriculum	Last Aligned	Enroll
Unity	Edge	K	ELA	Over 120 days!	Grade >
			ME	Over 120 days!	Grade >

2) Scroll down to click on the orange "Close Course" button in the lower right corner of the page.

The screenshot shows a list of courses. The 'Close Course' button is highlighted with a red arrow.

52	G1 L53	<input checked="" type="checkbox"/>	Multiple Measures
53	G2 L41	<input checked="" type="checkbox"/>	Skip Count 5s 10s

Save Changes

Close Course

3) After the course is closed, click on "Enroll" to enroll the student in a newly aligned course. Their badges will be reset since this will be a "new" updated course.

First Name	Last Name	Grade	Curriculum
Unity	Edge	K	
			ELA 
			ME 

Please share this information with your teachers so they know how to proceed with updating their students' *LGL Math Edge* courses if they choose to do so.

Sincerely,

Customer Success Team
