

How to run the Performance Band Report – Admin Accounts

Performance Band Report: This report will provide sites with a view of their students broken into groups that correspond to “below,” “at,” and “above” grade level. Each group is a percentage of the total. This is ideal for examining overall performance either year over year OR within one year.

Log into the Data Portal (<Reporting> tab, then choose Data Portal)

1. Click on Reports
2. Click in the drop-down box and select Performance Bands
3. Select the assessment you would like to run your report on
4. Click the Continue button

The screenshot shows the 'Let's Go Learn' navigation bar with tabs for Home, Reports (marked with a red '1'), Exports, Help, and Beta. Below the navigation bar, the text reads 'Reports Page: Please Select a Report below to begin.' There is a dropdown menu with 'Performance Bands' selected (marked with a red '2'). Below the dropdown are radio button options: DORA, DORA Spanish, ADAM, ADAM Spanish, DOMA Pre-Algebra, and DOMA Algebra (marked with a red '3'). At the bottom is a 'Continue' button (marked with a red '4').

1. Select the site(s) you would like to include on your report
2. Click on Set/Update Site
3. Enter Test Range 1 start and end date as well as Test Range 2 start and end date. You may check the "Single Date Range" box if you would like to run the report for one testing window only.
4. Select your grade range
5. Select Absolute or Relative
6. Click on Begin to generate your report

If the box above is checked the report will only download and not display.

Below is an example report. It compares 2 testing windows – 08/01/2020 to 10/30/2020 then 11/01/2020 to 01/30/2021. There are 2 bars for each testing window.

Colors on the chart:

- Green - % of students who are above level
- Blue - % of students who are proficient level
- Red - % of students who are emergent level
