

## How to Run a Pre-Post Gains Report

1. Log into your account.
2. Log into the Data Portal from the teacher account by clicking on the **Reporting** tab and selecting **DataPortal**. You can also access the Data Portal from the **Scores & Reports** tab.

3. On the Data Portal page, select **Pre/Post Gains Extract** and click on **Pre/Post Gains Extract**.

4. On the Pre/Post Gains Extract page, select your report criteria.

1. **Series** - select the assessment series
2. **Rosters** - select roster
3. **Start Date** - select start date range
4. **End Date** - select end date range
5. **Start Grade** - select start grade range
6. **End Grade** - select end grade range
7. **Export CSV** - export your report to a CSV file

Once filters are applied, your data will appear in the box to the right. This is a large report so you may need to scroll to the right to view all the data.
