

## How Tutor Doctor Franchisees Can Get Started with Let's Go Learn

After your franchise has set up an account with Let's Go Learn, you will have been assigned your own school code. Let's Go Learn uses a three credential login system.

### Step One: *How to Login*

**Option A:** Go to [www.letsgolearn.com](https://www.letsgolearn.com) and click on the login button at the top right of the page.  
OR

**Option B:** Bookmark this URL:  
[https://frontend.letsgolearn.com/login/\\*\\*your-school-code\\*\\*](https://frontend.letsgolearn.com/login/**your-school-code**)

This option will use the Tutor Doctor logo.

A screenshot of a web browser showing the Tutor Doctor login page. The browser's address bar displays 'Secure | https://frontend.letsgolearn.com/login/tutodr/'. The page features the Tutor Doctor logo (a red scribble) and the tagline 'How learning hits home.' On the left, there is a 'Resources' section with links for 'System Check', 'PDF Report Check', and 'Forgot login/password', along with a green checkmark and the text 'System Normal'. The main login area contains three input fields: 'Username', 'Password', and 'School Code'. The 'School Code' field is pre-filled with 'tutodr'. A blue 'Login' button is positioned below the 'School Code' field. A red arrow points from a red circle containing the number '1' to the URL in the address bar. Another red circle containing the number '2' is placed over the 'tutodr' text in the 'School Code' field.

When you enter in your school code at the end of the login URL, the school code will automatically be filled into the (2) "School Code" form field.

## **Step Two: *System/Network Requirements***
